

CT-583
JOHN E. HARMS CROSS-GABLE
(Late 19th Century)
Barstow
Private

This two-story frame farmhouse measures five bays long across the west-facing facade. A two-story ell extends to the rear. Two floor length two over two sash windows appear on either side of the facade's central entrance. Sidelights and a transom light the entrance. The central cross-gable features a round-arched window.

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This two-story frame farmhouse measures five bays long across the west-facing facade. A two-story ell extends to the rear. Two floor length two over two sash windows appear on either side of the facade's central entrance. Sidelights and a transom light the entrance. The central cross-gable features a round-arched window.

Two over two windows light the other bays. All windows are accompanied by louvered shutters. A two-story bay window covers the south end of the house.

A porch supported by round tapered columns crosses the facade. Two brick chimneys heat the center of the house, while a third appears at the ell's east end. Standing seam metal covers the roof. German siding sheathes the walls.
